GOLDEN MEMORIES

1960

First Edition

Foreword

We, the Senior Class, are proud to present to you, our 1960 GOLDEN MEMORIES. Our aim in the publication of this yearbook is to present the overall picture of our school activities. This book has caught glimpses here and there, so that in years to come the activities of this school year at MACKVILLE HIGH SCHOOL will not fade from your memory.

Dedication

To those who deserve the honor, we humbly dedicate this 1960 yearbook of Mackville High School.

To OUR PARENTS, this dedication is but a small token of our heartfelt thanks, compared with the patience, understanding, and sacrifices they have endured to see us through our twelve years of school life.

Class Will

We, the Senior Class of 1960, being of sound mind and body, and fully aware of the catastrophe about to descend upon us, do hereby dispose of our high school possessions in this our Last Will and Testament.

To the Faculty, we bequeath our deepest appreciation of all their efforts, whether vain or not, to further our education.

To the Juniors, we leave our Senior privileges. (If they can find them.)

To the Sophomores, we leave peace of mind. Being Seniors we have it to spare.

To the Freshmen, we leave our heartfelt sympathy, for the next three years.

JUDY BEAVERS leaves her quietness to Carolyn Harmon.
BETTY BENHAM leaves a certain Junior, but not for any Freshman.
GAYRON BISHOP leaves his ability to talk out loud in English while Miss Lula's talking to Gilbert Carey.
JERRY BURNS leaves his ability to keep all the girls in chewing gum to Stephen Parrott.
INA CARPENTER leaves her good disposition to Brenda Yankey.
ELLA DERRINGER leaves her modesty to Ina Goode. (Make good use of it Ina.)
PATSY DEVINE leaves her ability to go with the same boy for over a year and never breakup to Barbara Logsdon.
WILLIAM GRAVES leaves all the girls he didn't catch to any lucky guy that can catch them.
WILNA HALL leaves her position as scorekeeper for four years to Linda Anderson
WILLIAM HARDIN leaves his ability to argue to Jimmy Holderman.
LORRAINE HENDREN refuses to give up any of her possessions as she is saving them for Darrell.
JANICE LOWE leaves her ability to hand in neat papers to Jimmy Isham.
JEANETTE McCLOUD leaves her position as only Senior Cheerleader to June Stumph.
DONALD MATTINGLY vows and declares he was robbed and has nothing to leave.
RAYMOND NALLY leaves his ability to think up logical absence excuses on the spur of the moment to Wallace Votaw. (You can have my list, Tink.)
BRENDA PINKSTON leaves her ability to sit all day and make no disturbance to Jane Russell.
ROSEMARY YANCEY leaves with nothing but the knowledge she gained in the last twelve years.
JANET CURTSINGER leaves her ability to type five words per minute (after mistakes have been taken off) to Brenda Benham.

Class Prophecy

Here is the Senior Class of '60 as the future has held. We find each in his respective position. We have contacted most of them by wire, phone, or letter and here is what we have found.

JUDY was left a quarter of a million by a rich relative who died. Since this happened she could get everything she had always wanted. (Marvin)

BETTY BENHAM and Jackie are owners of a junk car lot. He started his own with that white Mercury.

Bishop's warehouse at Springfield still has the same name but has a different proprietor, GAYRON.

JERRY BURNS has moved to California to be a movie agent for his darling wife. This one is only his third.

INA CARPENTER and PATSY DEVINE planned a future before leaving high school and I have just learned that three are boys and three are girls.

Well, you would never have thought about ELLA ROSE DERRINGER moving to Alaska during the gold rush.

JANICE LOWE and WILNA HALL are business women of the world. Janice accepted a position as Bishop's private secretary and Wilna has joined the staff at U. of K.

Mr. and Mrs. Mann Graves and Mr. and Mrs. Russell Hardin lost their boys to two flashy blondes immediately after graduation and no word has been received as to their whereabouts.

LORRAINE and Darrell tied the knot soon after graduation and are carefully managing their two children's education.

ROSEMARY YANCEY moved to Indiana to practice her beautician work. Can you imagine that?

Dr. Thompson's wife, BRENDA, doesn't seem to have time to meet any social engagements since she is Pete's registered nurse and guardian of their three little angels.

STEVEN MATHERLY broke both legs getting away from college. He just couldn't find any way out except through the dormitory window.

DONALD MATTINGLY and RAYMOND NALLY insist on staying wealthy bachelors. It is hard to believe but Donald has grown to 6' 1" and Raymond is 6' even.

I knew there would be some good to come of the class of '60 and sure enough we produced a minister. DR. JEANETTE McCLOUD is holding revival services in her father's basement barbershop.

We hear JANET CURTSINGER is a nurse's aide in a Russian concentration camp. (Tony turned Communist.)

We find that the members of the class of '60 have entered a variety of professions, yet happiness and prosperity have come to all.
